

Experience

```
graph LR; Experience[Experience] --> Representation[Representation]; Representation --> Behaviour[Behaviour]
```

The diagram consists of three rectangular boxes arranged horizontally. The first box on the left is labeled 'Experience'. A horizontal arrow points from the right side of this box to the left side of the second box in the middle, which is labeled 'Representation'. Another horizontal arrow points from the right side of the second box to the left side of the third box on the right, which is labeled 'Behaviour'. All boxes and arrows are black on a white background.
